PRETTY CEREMONY AT BRIDE'S HOME

Miss Pauline Hawk, Bride of
Harvey Bock—Reception
at Hawk Home.

A pretty wedding ceremony was solemnized at the home of Mrs. Carrie Hawk, 512 W. Battell st., when her daughter Miss Pauline Hawk became the bride of Harvey Bock, Wednesday evening at 8 o'clock.

To the strains of the Lohengrin wedding march played by Mrs. Harry Shroyer, the bride party descended the stairway and entered the parlor, where the ceremony was performed under an arch of ribbons, ferns and carnations. By Rev. D. D. Spanzier, pastor of the First church of the Evangelical association. During the ceremony Mrs. Shroyer played "Perfect Day," and at the close "Oh Promise Me."

The bride was prettily attired in a gown of white crepe de chene with white Georgette crepe and pearl trimmings, and wore a full length bridal veil caught with lilies-of-the-

valley and carried a shower bouquet of white roses and valley lilies. She was attended by her sister, Mrs. Alva Derhammer of Otsego, Mich., as matron of honor. Mrs. Derhammer wore a dress of white satin with lace overwaist and carried pink roses. Alva Derhammer acted as best-man. The little Misses Pauline Derhammer, neice of the bride, and Mildred Bock, neice of the groom were the flower girls. They were attired in white and carried baskets of white flowers. Master Dana Derhammer, nephew of the bride was the ring-bearer.

Following the ceremony a three course dinner was served by the Misses Aurelia Barcoine, Maude Wisland, Gladys Meyer, Elsie Forslund and Florence Muckenthaler, friends of the bride. Covers were laid for 65 guests. Bowers of green and white ribbons were hung from the dome of the chandelier to the table, which was attractive with clusters of white carnations, smilax and ferns.

Both the bride and the groom are prominent young people. The bride is a graduate of the Mishawaka high school and has been employed as a stenographer at the Birdsell Manufacturing Co. The groom is the son of Mr. and Mrs. Jacob Bock, 611 E. Lawrence st., and is employed in the order department of the Mishawaka Woolen Manufacturing Co. office.

Mr. and Mrs. Bock left on their honeymoon which they will spend in

various points in Indiana and Illinois. After Oct. 1 they will be at home to their friends in their newly furnished home, 538 Clay st.

Among the guests were Mr. and Mrs. Alva Derhammer and two children, Otsego, Mich.; Mr. and Mrs. Richard Burkett, Mr. and Mrs. D. A. Blanchard, Culver, Ind., Mr. and Mrs. W. J. Dennis, Chicago, and Mr. and Mrs. A. H. Bock, Kalamazoo, Mich.

DODGE'S FIRE DEPT. DISPLAYS ALACRITY

The Dodge Co. volunteer fire department, comprised of 25 of the most intelligent men in its employ, and under the leadership of W. H. Tupper, had a chance to demonstrate its fire fighting prowess, early Wednesday afternoon when the roof of the boiler house near the sawdust tank caught fire. The men showed the manner of their training when the factory alarm sounded, and were in the places assigned to them in a few moments. Although the city department was called out, the amateurs had the incipient blaze extinguished before it arrived on the scene. The damage was trifling.

LADIES' AID HOLDS INTERESTING MEET

Mrs. C. L. Metzger and Mrs. W. T. Jones' division pleasantly entertained the members of the Ladies' Aid society of the Methodist Memorial church in the entertainment parlors, Wednesday afternoon. Mrs. Loren M. Edwards led the devotional exercises. The officers gave their reports. It was voted that \$166 be paid for a \$10,000 insurance policy on the church. It was also decided that each of the 12 divisions of the society will hold a pastry sale, every other Saturday on the north and south side of the river respectively beginning Saturday Sept. 30. After this each division will take up some line of work in which way they can increase the general treasury. It was also planned to hold an "experience" meeting soon, each member to earn a dollar and to explain how she earned it. A committee consisting of Mrs. C. E. Lukenbach, Mrs. Charles Weir and Mrs. Julius Newman was appointed to purchase a new clock for the entertainment rooms of the church. The meeting was well attended and much enthusiasm was shown, this being the first meeting since the summer vacation.

Social hour followed, at the close of which a delicious luncheon was served.

The next regular meeting will be held Wednesday, Oct. 18.

MISHAWAKA HIGH WINS FROM SCRUBS

In the initial practice of the year yesterday, the first team defeated a team of scrubs and stars, 18-0. Crum, last year's right halfback, who works well with Boles, was not in the lineup as he is laid up with a badly bruised thigh muscle. Boles, (Capt.) carried the ball for long gains and three touchdowns. For the Scrubs, Moller and Semeler, all-state football men, made the varsity line men hustle to keep the line intact. Snyder, last year's crack track man, made several pretty plays and was there on the tackling. With a little experience he will fill the full-back position on the first squad.

C. W. B. M. OBSERVE "TRIBUTE" DAY

"Tribute day" was observed by the C. W. B. M. at a joint meeting of that society and the Ladies' Aid of the First Christian church, held at the home of Mrs. Martin D. Fulmer, 526 W. Third st., Wednesday afternoon.

Mrs. C. Kitson, president of the society led the devotional exercises. Scripture lessons were read by Mrs. Charles Slick and Mrs. Thomas Bath. Mrs. Kitson read a paper on "Why we observe Tribute Day," and Mrs. Ed Nichols one on "Why We are Glad to Observe this Day." Rev. E. K. Van Winkle led in prayer.

A business session was then held by the Ladies' Aid society, the president, Mrs. William Miller, had charge. It was decided to meet at the church Wednesday, Oct. 11, and prepare the communion wine for the coming year. Further plans were also discussed for the Christmas bazaar to be held Dec. 6. The ladies will meet with Mrs. Thomas Bath, 119 S. Hill st., Thursday afternoon and enjoy a concert using her piano.

ST. MONICA'S CIRCLE ENJOYS SOCIAL SESSION

Mrs. Ben Krushanski, 515 E. Grove st., assisted by Mrs. John Huennkopf and Mrs. Sam Berner, delightfully entertained the members of the St. Monica's sewing circle at the former's home, Wednesday afternoon. The residence was prettily decorated with asters. Progressive pedro was the chief feature of entertainment. Mrs. Henry Berner secured the first favor, and Mrs. William Landgraf the second. Musical selections were enjoyed. A splendid luncheon was served. Covers were laid for 45 guests.

SIREN WHISTLE FOR CITY IS CONSIDERED

"Did you hear it?" It was the city's new siren whistle which is being installed on the old waterworks station on N. Church st., that was shrieking yesterday afternoon.

The whistle which is made by the Pyrebe Manufacturing Co., is oper-

ated electrically and is lauded as being the most recent and up to date warning whistle on the market. Financially it is a success and will give much better service than either the steam or bell system of warning.

Representative S. M. Hostler of the company is demonstrating the efficiency of his horn to the city. The sounding boards will be placed today, and the whistle will be raised to a greater height. It can be heard for a radius of two miles. It costs but \$300 while the bell system would approximately touch the \$2,000 mark. The steam system is also much more expensive.

VISITING PARENTS.

Dr. E. C. Borley and wife of Hallock, Minn., and Ivan S. Borley, Flint, Mich., are visiting their parents, Mr. and Mrs. W. E. Borley, 119 N. Race st. They will remain in the city until the end of the week.

SHIMRON CLASS TO BANQUET.

The Shimron Bible class of the Methodist Memorial church will hold its annual banquet and election of officers, Wednesday Oct. 11.

AID IS RUSHED TO POLICEMAN

Patrolman John Learman, of Michigan City, Tells of Tanlac's Help.

Michigan City, Ind., Sept. 19.—An officer of the law, John C. Learman, Patrolman No. 9 of the Michigan City police department, has added his words of praise for Tanlac, the Master Medicine, to those of hundreds of others.

Patrolman Learman is known by countless friends in Michigan City and vicinity as a man of unquestioned honesty and integrity.

"I suffered from kidney and liver trouble," he said on September 9. "I had pains in my back nearly all the time. My stomach usually was sore. I was bilious frequently, and I felt draggy nearly all the time."

"Tanlac certainly does the work. I've just finished my first bottle of this new medicine and I feel much better. The pains have left my back and my liver seems to be well regulated now."

"I recommend Tanlac because I believe it will help anyone who suffers from kidney trouble."

Tanlac, the Master Medicine, is especially beneficial for stomach, liver and kidney trouble, catarrhal complaints, rheumatism, nervousness, loss of appetite and the like and is a fine strength builder, giving health and strength to weak, run down men and women.

Tanlac is now being introduced in Mishawaka at the Red Cross Pharmacy, where a special Tanlac representative is explaining the new medicine to the public.—Adv.
